JUDGE ED KINKEADE**

DEFENDANTS' STATUS REPORT TO THE COURT

Defendant Medical Device Business Services, Inc., f/k/a DePuy Orthopaedics, Inc., pursuant to the Court's June 1, 2022 Order (ECF 1240), provides the following report to the Court.

Plaintiffs in the cases listed below have complied with CMO 12. Although discovery of Defendants is complete in these cases, Defendants have not had an opportunity to conduct case-specific discovery. For example, depositions of plaintiffs, plaintiffs' treating physicians and other fact witnesses and of plaintiffs' case-specific expert witnesses have not yet been completed. Accordingly, these cases are not yet ripe for remand. Defendants request that the Court allow the parties to complete case-specific discovery pursuant to the Court's recent scheduling orders before remand or transfer.

In addition, Defendants urge the Court to adopt an MDL closing order that establishes an orderly process for remanding the longest pending cases first, summarizes the coordinated discovery that has been conducted in this proceeding, and urges the federal and state courts that preside over Pinnacle Cup System cases going forward to bar discovery that duplicates the parties' and this Court's prior work. Should the Court agree with this proposal, Defendants will submit a proposed order effectuating their proposal at the Court's request.
